### Directions to Skydive Extreme in Nylstroom

Take N1 north towards Pietersburg. About 1 hour and 45 min from Johannesburg you will go through to the 3rd toll gate. At this toll gate which is called Kranskop keep far left as you go through & it will indicate Nylstroom.

At the top of the off-ramp (stop street), turn left.  
Drive into Nylstroom , plus minus 5 km.

Once you start entering town go straight through two stops streets and one traffic light. At the second Traffic light turn right. ( Mica on the right )

There should be a Wimpy on your left about 150m up the road , carry on going straight.

About 3 km on the right there will be a signboard saying Nylstroom airfield / skydive Extreme turn in and take the first sand road on your left. This will take straight into the club.
