

MEASUREMENTS REQUIRED FOR ICARUS MICROLIGHTING AND PARAGLIDING SUIT

NB. The body measurements are very important – please measure correctly in CM .
FAX TO: 011 452 2101

COLOURS AVAILABLE:

NAVY BLUE, YELLOW, ROYAL BLUE, ORANGE, TURQUOISE, GREEN, PINK, WHITE, RED, GREY, PURPLE, BLACK.

NB all colours depend on availability

MEASURING: Measure over clothing you will be wearing

It is our aim to provide a suit which is made to fit you. This is only possible if we receive exact measurements. To ensure this we ask you to be measured by a friend with a proper metric tape measure. Please double check all measurements. We cannot be held responsible for incorrect measurements.

Delivery instructions;.....

The Icarus Microlight / Paragliding suit is made of Parapack outer with either a fleece or laminated lining, which produces a warm and comfortable suit. The suit is custom built and our standard range of designs are recommended, however we accept personalised or specifications within reason. Please feel free to ring us and discuss any special requirements.
