

MEASUREMENTS REQUIRED FOR ICARUS CAMERA SUIT

NB. The body measurements are very important – please measure correctly in CM .
FAX TO: 011 452 2101

COLOURS AVAILABLE:

NAVY BLUE, YELLOW, ROYAL BLUE, ORANGE, TURQUOISE, GREEN, PINK, WHITE, RED, GREY, PURPLE, BLACK.

NB all colours depend on availability

MEASURING: Measure over clothing you will be wearing

It is our aim to provide a suit which is made to fit you. This is only possible if we receive exact measurements. To ensure this we ask you to be measured by a friend with a proper metric tape measure. Please double check all measurements. We cannot be held responsible for incorrect measurements.

Delivery instructions;.....

The Icarus Camera Suit is a custom built jumpsuit, with the choice of either small wings for team work or larger wings for filming big formations or skysurfing. Our standard design, with booties and kneepads is recommended, but we do accept personalised designs or specifications within reason. Please feel free to call us and discuss any special requirements.
